To organize the 2016-17 PTO the remaining activities for this school year, the Interim Parent Team met today, February 20, 2017, and discussed the following items:

- ✚ PTO Logistics
 - Member's responsibilities (general)
- ✚ Upcoming PTO Meetings and EOY Celebration
- ✚ Parent Link (backup)
- ✚ Monthly Calendar (to parents)
- ✚ General Parent Involvement
- ✚ Meetings' Food Arrangement
- ✚ Parent's Space Organization
- ✚ Increase PTO Membership
- ✚ Fundraisers/Raffles/Donations
- ✚ Current Budget Concerns
- ✚ New Business: PTO Membership Cards 2017-18

NOTES/Comments: PT members' responsibilities were discussed and each member agreed to volunteer to 1-2 assignments, prior and during the PTO meetings. All parents are welcome to join us in these preparation activities.

It was suggested that a "Volunteer Form" should be created and made available for anyone who is willing to help.

Upcoming PTO meetings were planned, and the PT is working on getting outside presenters to join us with various activities. The idea of having an end of the year (EOY) celebration in the schoolyard, was also discussed. Other ideas and suggestions are always welcomed.

To fulfill the members' responsibilities, each PT member will be reaching out to various people and resources, to plan and/or put in place certain organizational needs, i.e. Parent Link backup, parents' space organization, food for meetings and monthly calendar copy and distribution.

We would like to work on increasing the PTO membership through general parent involvement during the school year's activities.

The Parent Team is looking forward to working with parents, teachers and staff members. We welcome your suggestions and ideas. Please feel free to contact any member of the team, so that we can discuss your ideas during our next PT meeting.

Looking forward to work with everyone,

The New Interim Parent Team 2016-17
